

RECOMMENDATION LETTER

To whom it may concern

I am writing this Personal Reference Letter for the Opsman EU society, represented by Mr. Christophe Samyn, CEO – Managing Director.

As General Manager of a prestigious 5* hotel in Europe, named “Metropole hotel”, I have worked with him and can personally vouch for Mr. Christophe Samyn and his abilities.

In 2016, his society carried out a security audit of the Metropole hotel (with 262 rooms).

Among his accomplishments, I can list the following major achievements:

- Analysis and evaluation of the security operations and elaboration of a risk map in order to identify and prioritize the risks associated with the hotel business
- Creation and implementation of security standards, policies and procedures
- Recruitment, training and supervision of security officers and employees,
- Organization and coordination of security operations for specific high-risk events and delegations (embassy, and so on). Mr. Christophe Samyn is able to handle any requests for coverage, even at the last minute and to provide professional security officers to protect the hotel, employees and guests.
- Recommendation for the installation of a security camera system CCTV.

Personally, as General Manager of the Metropole hotel, I plan to continue to use the Opsman’s services for all of the hotel security needs. Besides, in order to maintain security standards in the hotel, he still recommends regularly security procedures to concerned internal staff members.

In short, Mr. Christophe Samyn can perform at a super-efficient level with regard to all of the security needs which you may require.

Consequently and without hesitation, I would highly recommend Mr. Christophe Samyn and his Opsman EU company unequivocally to anyone experiencing security issues.

Brussels (Belgium, Europe), June 18, 2018.
